Attachment 1 - Comprehensive Course Review Quality Indicators v22-1

#	Indicator	Stds ref (HESF)	Description	Data source	Source	Review profile (Value = 1) (Value = 0.5 for #2a, #2b, #7a, #7b)	Review profile (Value = 2) (Value = 1 for #2a, #2b, #7a, #7b))	Review profile (Value = 4) (Value = 2 for #2a, #2b, #7a, #7b))
1	Course accreditation profile	5.3	External accreditation or quality review provided by an external body. May be mandatory, optional or not available.	Annual Professional Accreditation Update.	Division PPA	External accreditation in place– no mandatory conditions	External accreditation in place – with conditions	Loss of external accreditation imminent; or No external accreditation
2a	Overall Student experience - SES	5.3	Student satisfaction with **Overall Course Satisfaction** (CPR/Cognos). Most recent 3 years. CPR/Cognos data	Student Experience (QILT) (CPR Cognos) Int'l Student Baro.	PPA	Average UG feedback stable ≥ 79.3% over past 3 years. Average PGCW feedback stable ≥ 75.6% over past 3 years.	Average UG Feedback stable at 75.0%- 79.3% over past 3years. Average PGCW Feedback stable at 65.6%- 75.6% over past 3years	Average UG Feedback declining OR< 74.9% over past 3yrs. Average PGCW Feedback declining OR< 65.6% over past 3years.
2b	Overall Subject Satisfaction - YourJCU	5.3	Student satisfaction with **Overall Subject Satisfaction** (CPR/Cognos). Most recent 3 years. CPR/Cognos data	Student Experience (SELT) (CPR Cognos)	PPA	Average feedback stable ≥ 80% over past 3 years.	Average Feedback stable at 75%- 80% over past 3eayrs.	Average Feedback declining OR < 75% over past 3years.
3	Industry linkage	5.3	Access and use of industry expertise (such as advisory boards) and benchmarking/referencing. May be at discipline or Academic Group level	Division records	College Division	Formal and planned industry collaboration	Some industry collaboration	No industry collaboration
4	Graduate Employment – Overall employment	5.4.1	Implementation of Work Integrated Learning, focus on graduate outcomes and career development	CPR	College Division	Average UG employment stable ≥ 87.5% over past 3 yrs. Average PGCW employment stable ≥ 92.7% over past 3 years.	Average UG employment stable at 77.5% to 87.5% over past 3 years. Average PGCW employment stable at 82.7% to 92.7% over past 3 years.	Average UG employment declining OR <77.5.% over past 3 years. Average PGCW employment declining OR <82.7% over past 3 years.
5a	Scale: Overall size	6.2.1c, 6.2.1d	Total EFTSL: Most recent full academic year	CPR Cognos	PPA	UG ≥ 80 EFTSL	UG 21 – 79 EFTSL	UG ≤ 20 EFTSL
5b	Scale: Overall size	6.2.1c, 6.2.1d	Total EFTSL: Most recent full academic year	CPR Cognos	PPA	PGCW ≥ 30 EFTSL	PGCW 10 – 29 EFTSL	PGCW ≤ 10 EFTSL
6	Student Commencing Enrolment trend	6.2.1c, 6.2.1d	EFTSL Commencing Enrolments: Most recent 3 years	CPR Cognos	PPA	Increasing trend >3% Year on Year	Flat ± 3% Year on Year	Declining trend <3% Year on Year
7a	Student Success in Core Subjects	5.3	Completion rate trend over past 3 years	CPR Cognos	PPA	Subject success ≥ 75% over past 3 years	Subject success at 70-75% over past 3 years OR <70% but improving by 1% Year on Year over 3 years	Subject success < 70% over past 3 years
7b	Student retention - (Course)	5.3	% students re-enrolling in Yrs. 2 (based on TEQSA Risk Assessment definition) for the course Most recent 3 years Cognos data	CPR Cognos	PPA	Average UG Retention stable and positive ≥75% over past 3 years. Average PGCW Retention stable and positive >75% over past 3years.	Average UG Retention stable @ 70-75% past 3 years. 1-2 Significant student issues Average PGCW Retention at 60% to 65% past 3 years	Average UG Retention declining and/or <70% past 3 years. Numerous and sustained student issues. Average PGCW Retention declining OR <60% past 3years

Score	8 – 15	16 – 20	21 – 28
Review Type	Desktop (Low Risk)	Panel Interview (Moderate Risk)	Panel Visit (High Risk)
