How to Delegate your Approvals before commencing planned absences

The JCU Financial Delegation Policy relates to a position, not to the individual in that position. If the individual holding the position is absent, the power may be exercised and the duty performed by an individual acting in the position.

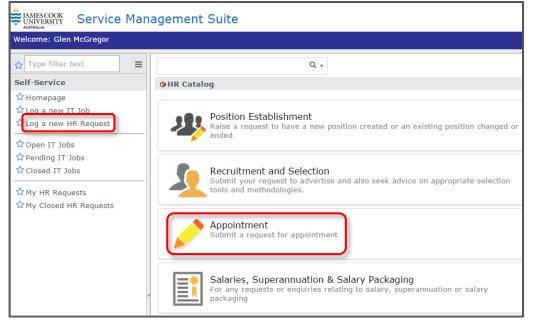

For an individual to be formally acting in a position, the request must be lodged with Human Resources. It is recommended that the request be lodged one week prior to the absence commencing to ensure that the relevant systems are ready in time of the absence.

For more information on the Financial Delegation Policy, please follow the link below: <u>https://www.jcu.edu.au/policy/procedures/university-delegations/financial-delegations-management-procedure</u>

1. To formally lodge a Request to HR to provide an individual Acting Financial Delegation, click on the **JCU ServiceNow** icon found on the Desktop.
