'Student Engagement' Report

What can this report do for me?

- This report provides information on student submissions activity on LearnJCU either across all their subjects, or for specific subjects.
- This can be useful for early identification of students who are not submitting assessment items, and for tracking submission rates.

Running the Report

Step 1 • From the Teaching @ JCU webpage, select the Learning Analytics webpage.

Step 2 • Select **Level 2 Report Access** to login with the Blackboard login

- **Level 2 Report Access**
- [Managing your Blackboard Account](#)
- [Information for Staff](#)
- [Information available to students via LearnJCU](#)
- [Frequently Asked Questions](#)
- [Reports and Dashboards](#)
- [Glossary](#)

Step 3 • Click on '**Analytics for Learn Reports _432**'.

Step 4 • This will bring you to the below page. Click on the '**Student Engagement report**'. To run this report, several parameters need to be supplied. Fill in the required parameters (and optional parameters if desired) and click the **View Report** tab in the right hand corner. A description of each parameter is provided below.

The screenshot shows the SQL Server Reporting Services web portal. The page title is "Analytics For Learn Reports_432". The navigation bar includes "New Folder", "New Data Source", "Report Builder", "Folder Settings", and "Upload File". The main content area displays a grid of report icons, including "Help Files", "Mobile Learn Reports", "Activity and Grade Scatter Plot JCU", "Grade Centre Exception Report JCU", "Instructor At A Glance JCU", "LearnJCU Activity Matrix", "LearnJCU Subject At A Glance", "LearnJCU Subject Use Across University", "Login Exception Report JCU", "SIS Integration Audit", "Student Activity By Instructor JCU", "Student At A Glance JCU", "Student Engagement Report JCU", "Subject Submission Summary", and "Submission Exception Report JCU".

Report Parameters

- **Year (Required):** Select the year which you wish to run the report for.
- **Study Period (Required):** The academic Study Periods at your institution (e.g. Study Period 1, 2015). Selecting a Study Period automatically filters down the LearnJCU subjects that can be selected.
- **Report Type (Required):** This specifies which students you wish to run the report for. You can choose to search for those with no activity, students with activity or all students.
- **From Date (Required):** You can select the time period you want to run the report for. The From Date is the start date you wish to run the report for.
- **To Date (Required):** This date represents the last date you want the report to run for.
- **Division (Optional):** This refers to the organisational units at your institution (e.g. Division of Tropical Environments and Societies). Selecting a division automatically filters down the LearnJCU Subjects that can be selected.
- **College (Optional):** The college organisational units at your institution in the Division selected (e.g. College of Arts, Society and Education). Selecting a college automatically filters down the LearnJCU subjects that can be selected.
- **Subject (Optional):** The LearnJCU subject on which the report will be run. The list of subjects is filtered based on the Study Period, Division and College selected.
- **Academic Level (Optional):** This refers to the academic levels at your institution (e.g. Undergraduate). Selecting an Academic Level filters down the students that can be returned by the report.
- **Class Level (Optional):** The level of a subject (e.g. 1 = first year subjects, 2 = second year subjects).
- **Mode (Optional):** The educational modality of a LearnJCU subject (e.g. Online, In Person, etc.)

- **Last Name Search (Optional):** A keyword search that can be used to filter down the Students that can be selected. This field can be used in conjunction with the other parameters to obtain a smaller list of students from which to make a selection. For example, if you were looking for Jim Smith, typing “Smith” would narrow down the students to those with a keyword match for Smith
- **Include All Students (Required):** You can either select to include all students in the report, or only those students who are enabled.
- **Student (Optional):** You can either select to look at all students, or select an individual student you want to run the report for. The Last Name Search parameter will narrow down the options available here.
- **Activities (Required):** The type of student activity against which the Grade Centre External Grade will be plotted.
 - **Test:** Student submissions to a LearnJCU Test item. If a test allows multiple submissions, each distinct student submission is counted once.
 - **Assignment:** Student submissions to a LearnJCU Assignment item. If an assignment allows multiple submissions, each distinct student submission is counted once.
 - **Blog:** Student posts to a LearnJCU Blog item.
 - **Discussion Forum:** Student posts to a LearnJCU discussion board.
 - **Journal:** Student posts to a LearnJCU Journal item.

Interpreting and Using the Report

After the report has been run successfully, the submission activity for every student who meets the specified criteria is displayed for the selected activities (e.g. test, assignment). The following information is provided:

- **Student Name:** The name of the student, which links to the Student at a Glance report.
- **Student email:** The student's email address.
- **Start SEM:** The start date of the specified semester.
- **End SEM:** The end date of the specified semester.
- **User Status:** The status of the student within the university.
- **Last Submission Date:** The last date a submission was due. If a particular subject was selected, this submission date represents the last date a submission was due for that subject. If no particular subject was selected, this date represents the last date a submission was due for that student across all their subjects.
- **# Submissions/Posts:** This represents the total number of submissions/posts for each student. If a particular subject was selected, this number represents the total number of submissions/posts for that subject. If no particular subject was selected, this number represents the total number of submissions/posts for that student across all their subjects.

The remaining columns break down the date of last submission and the number of submission items for each type of activity that was selected. The below descriptors apply to all activity types.

- **Last Activity (e.g. test):** This represents the last date a submission was due for that student for the particular activity. If a specific subject was selected, this date represents the last submission date for that subject. If no specific subject was selected, this date represents the last submission date for that student across all their subjects.
- **# Activity (e.g. test):** This represents the number of submissions for that activity type. If a particular subject was selected, this number represents the total number of submission of that activity type for that subject. If no particular subject was selected, this number represents the total number of submission for that activity type for that student across all their subjects.
