User guide—Department of Aborginal and Torres Strait Islander Partnerships Public Map and Resources.

This public mapping tool may be used to assist in identifying the relevant Rainforest Aboriginal People for a given area within the Wet Tropics World Heritage Area (the Area).

1. The Department of Aboriginal and Torres Strait Islander Partnerships (DATSIP) Public Map does not contain the Area boundary by default. Follow the link to download the Area boundary from Queensland Spatial Catalogue (QSpatial) http://qldspatial.information.qld.gov.au/catalogue/custom/detail.page?fid={40C8F060-EC9A-4291-B13B-519061A753ED}

   QSpatial instructions

   1. Select download dataset.

   2. The request download box will appear, select Google KML -KM - .kmz and download the file. The file will be emailed to your selected email address. Follow the instructions to download the file.

      
   3. The 'The Wet_Tropics_World_Heritage_Area.kmz' file will be located inside the downloaded zip file from QSpatial (the zip file will be named QSC_Extracted_Data_ and contain the relevant date of download).
