# Teach and Assess - Assessment

## Learning, Teaching and Assessment Procedure 3.5

3.5 Feedback on Assessment

3.5.1 Feedback on examinations must be consistent with the criteria or scales outlined in rubrics published in the Subject Outline.

a. Feedback including grades or marks on examinations undertaken during an examination period are accessible either:

- In the LMS (LearnJCU Grade Centre) after the results release date; or

- Available upon formal request by a student, after the results release date (see section 3.8.4).

b. Written or verbal feedback on automated tests is only required if it is formally requested by a student.

3.5.2 Feedback on assessment items (excluding examinations) including grades or marks is provided in a timely manner relative to the length of the study period.

a. Students receive feedback on an assessment item (which has been submitted on time) before the next related/ cumulative assessment item is due.

b. Students receive feedback on early assessment before the census date.

c. Timeframes for feedback including grades or marks on individual assessment items are relative to the length of the study period:
