

What is this document for?

Complete this form to establish a Higher Degree Research scholarship opportunity. By completing this form the opportunity can be administered by the GRS and advertised on JCU centralised Scholarships database. This enables JCU to store all HDR scholarship and award opportunities in one place.

This document will help you hone a HDR award opportunity by outlining the selection process and identifying ways to advertise the opportunity.

The GRS website also has information on how to establish a scholarship with an industry partner.

Who is this document for:

For anyone who wishes to advertise a scholarship for HDR candidates.

What is a non-RTP scholarship or award?

RTP scholarships provide a living stipend to HDR candidates in order to complete their research projects. Non-RTP awards are funded by individuals or companies. These awards can be given on-top of an RTP stipend or instead of an RTP stipend. Types of non-RTP awards are:

- Enabling Grants for research expenses (min \$5,000);
- Full living stipend Scholarship (min \$28,597 per annum tax free (2021 rate) for 3.5 years);
- Top-up Scholarship paid directly to a student holding an RTP Stipend to assist with additional living expenses (min \$5,000);
- Project expenses (paid directly to student) to support costs associated with the research

Externally funded scholarships

Each year a number of funding opportunities are made available to research students by organisations outside of JCU. These are not administered by JCU but externally by the various funding agencies.

Students can find some of these opportunities listed on the [website](#) under 'external' opportunities. Students need to review the funding agency websites for scholarship details and will need to apply directly to the various funding agencies.

Administration of Non-RTP awards

By submitting this form you agree that the award listed below will be administered by the Graduate Research School (GRS), on behalf of the Selection Committee. Any funds received by JCU will be held in an account in the name of the University and will be administered by the Graduate Research School in line with this establishment form and any funding agreement.

Send completed forms to GRS.staff@jcu.edu.au for processing.

More information: Contact GRS.staff@jcu.edu.au to discuss your non-RTP HDR student awards

NOTE: For any non-HDR related student awards please contact scholarships@jcu.edu.au.
