

A banner with a green-to-yellow gradient background. It features a faint world map and a row of stylized human figures at the bottom. The text 'Service Learning for Sustainable Futures' is written in a white, serif font.

Service Learning
for Sustainable Futures

Guidelines for a community-based Service Learning Placement

The service learning **must**:

1. contribute to the development of a sustainable society;
2. involve work in a community and a context new to person undertaking project;
3. meet minimum workplace health and safety standards;
4. if in a school, not be undertaken in normal school hours of that school unless the project is undertaken outside Australia.
