

Medicine & Surgery

Luka Bartulovich

CAREER PATH: With so many options it's hard to know! Right now, I have an interest in surgery and research but I also want to throw something in like Doctors Without Borders or time on Global Mercy (cool hospital ship).

ABOUT ME: I have lived in Townsville for most of my life. Outside of uni, I'm a 400m sprinter, play guitar, and like to read.

FUN FACT: I can nearly do the splits and I am Town Hall 12.

Isabelle Cafferky

CAREER PATH: I am very interested in rural medicine and specifically the Royal Flying Doctors. I am still working out what I will do and how I am going to get there but luckily a six-year degree gives you plenty of time to work that out.

ABOUT ME: I'm a Townsville local who has lived here my whole life with my family. I am the oldest of 3 kids with a younger sister and brother. I love to swim whether it's for exercise or just for fun, I also enjoy painting, camping and being anywhere outdoors.

FUN FACT: On my first hospital placement I had to put on full scrubs and PPE for the first time. I accidentally walked around the hospital with hats over my feet thinking they were shoe covers until a nurse had to tell me, oops!

Aditya Enjeti

CAREER PATH: I am currently most interested in becoming a specialist cardiologist after placement with the Indigenous Cardiac Outreach Program (ICOP) but still keeping my options open.

ABOUT ME: I am from Newcastle, NSW and have a much younger brother, a 3-year-old dog and my parents. In my spare time I enjoy following and playing tennis and cricket, as well as chess, hiking and cubing.

FUN FACT: I have had the privilege to travel to 19 different countries - I love travelling

Josiah George

CAREER PATH: I am excited to become a doctor, not sure what exactly I will do. There are so many different specialities that I would love to try out and see if I fit in.

ABOUT ME: I'm from Warrnambool, but my family is originally from India.

FUN FACT: I love to read. A fun fact about me is that I did my high school in three different countries.

Bavelin Gill - 2022 Mentor Leader

CAREER PATH: Although I am still deciding what speciality I will choose in the future, my goal is to ultimately practice medicine in Far North Queensland.

ABOUT ME: I was born and raised on a banana farm in Cardwell, QLD. I love travelling and experiencing new cultures.

FUN FACT: I have met Prince Williams when he visited Cardwell after cyclone Yasi.

Elvis Jehle

CAREER PATH: When I graduate I am interested into going into a field where I am able to use practical skills. I am excited to see how field of medicine adapts to an ever changing world and what new technologies will be used.

ABOUT ME: I am from the Capricorn Coast (Yeppoon/Rockhampton), I have an older sister. In my spare time I like to explore different areas, swim and binge shows.

FUN FACT: I am a scuba diver.

Medicine & Surgery

Chee-Rae Loi

CAREER PATH: At the moment, I'm considering heading down the O&G route, potentially into fertility but I'm open minded about it!

ABOUT ME: I'm from Melbourne and entered medicine straight out of year 12. My family is all interstate and I moved onto college for my first 2 years of uni. I've work at both Zarraffas Coffee and Mimco and love catching up with my friends for dinners and scooter rides on The Strand!

FUN FACT: I have an extensive collection of plants in my tiny college bedroom!

Sarah McDonnell

CAREER PATH: As a future doctor, I am excited to be part of patients' health journey and hope to make an impact on someone's life, no matter how big or small. At this stage, my dream is to specialize in women and children's health within a rural community.

ABOUT ME: Whilst a Burdekin girl at heart, I love the Townsville City life as well. I have a passion for running, painting, reading and enjoy spending quality time with friends at the Strand or catching the latest movie blockbuster.

FUN FACT: I recently cut 35cm off my hair and donated it to Variety so children suffering from cancer are able wear wigs during chemo-treatment.

Rayana Oeyshi

CAREER PATH: I am interested in rural generalism and surgery. I do not want to restrict myself yet so open to all fields.

ABOUT ME: I am from Bangladesh. I love dancing and talking to people, and I love surrounding myself with loud, engaging personalities. I enjoy travelling - exploring new cuisine and learning about people and their exotic lifestyles.

FUN FACT: I have embarrassed myself in most weird situations - I fell on the stage at my high school graduation!

Conrad Prinsloo

CAREER PATH: At the moment I'm planning to pursue a surgical speciality, however this might change in the years to come.

ABOUT ME: I've lived in Mackay since I was 6, alongside my parents and my younger brother who just completed year 12. I grew up playing piano and watching tennis in my spare time.

FUN FACT: I adopted a porcupine when I was a kid.

Emma Robertson

CAREER PATH: I love rural medicine and going out west! I also like working with children.

ABOUT ME: I am a Townsville girl and still live at home with my family. In my spare time I am doing my diploma in Speech and Drama; and love pottery and crochet!

FUN FACT: I work at the LEGO store in Stockland, come say hey!

Medicine & Surgery

Kyle Robinson

CAREER PATH: Going into my second year of Med it's still early days for me, I've taken an interest in orthopaedics through work experience and placements but I expect that with the exposure to other fields I will get in the coming years my interests will change.

ABOUT ME: I was born in Townsville and did all of my schooling here; I graduated from Ignatius Park College in 2020. When I'm not doing uni related activities I like to play soccer and go to the gym.

FUN FACT: I am a far superior "Clash of Clans" player than Luka.

Amy Tomlinson

CAREER PATH: I'm very excited to be a doctor when I graduate! I'm not sure which specialty I'll pursue yet (too many to choose from!), but I am particularly interested in lifestyle medicine and women's health among other things.

ABOUT ME: I'm from Townsville but my family is originally from the UK. I love the arts, op-shopping, hiking and I love to dive when I get the chance!

FUN FACT: I make a lot of my own clothes (I'm a sewing addict and crocheting wannabe).

Sameela Wahab

CAREER PATH: I will hopefully graduate in 2026 and I am not exactly sure what I want to do specifically but working in the ED seems cool.

ABOUT ME: I was born in Pakistan, moved to Canada when I was three and this will be my 4th year here in Australia. In my spare time, I enjoy painting and spending time with my siblings.

FUN FACT: I can read four languages and can communicate in three.

Hayley Whiting

CAREER PATH: I'm interested in rural medicine, hopefully with some obstetrics and gynaecology training.

ABOUT ME: I am from Chillagoe a small town up near Cairns. I have a partner, lots of plants and 2 dogs so they keep me pretty busy in my spare time!

FUN FACT: Show me photos of your dog and you'll make my day!

Shannen Zohn

CAREER PATH: I am interested in working in the paediatric field in some capacity.

ABOUT ME: I was born and raised in Townsville and completed two years of Biomedical Science before studying Medicine. In my spare time, I often find myself reading or sacrificing my brain cells by watching Netflix.

FUN FACT: A fun fact about me is that I have 2 dogs and a cat who all, somehow, get along well.
