I love studying and completing my
coursework/assignments at the library,
it's where I feel most motivated and
engaged in my work.

I have found
setting up
reading lists a
very useful way
to effectively
manage my time,
and reduce
searching time
for students for
subject core

Overall, I think
our Library is
excellent, and
most of the time
I am able to
access what I
need for my
research.
