

What is it?

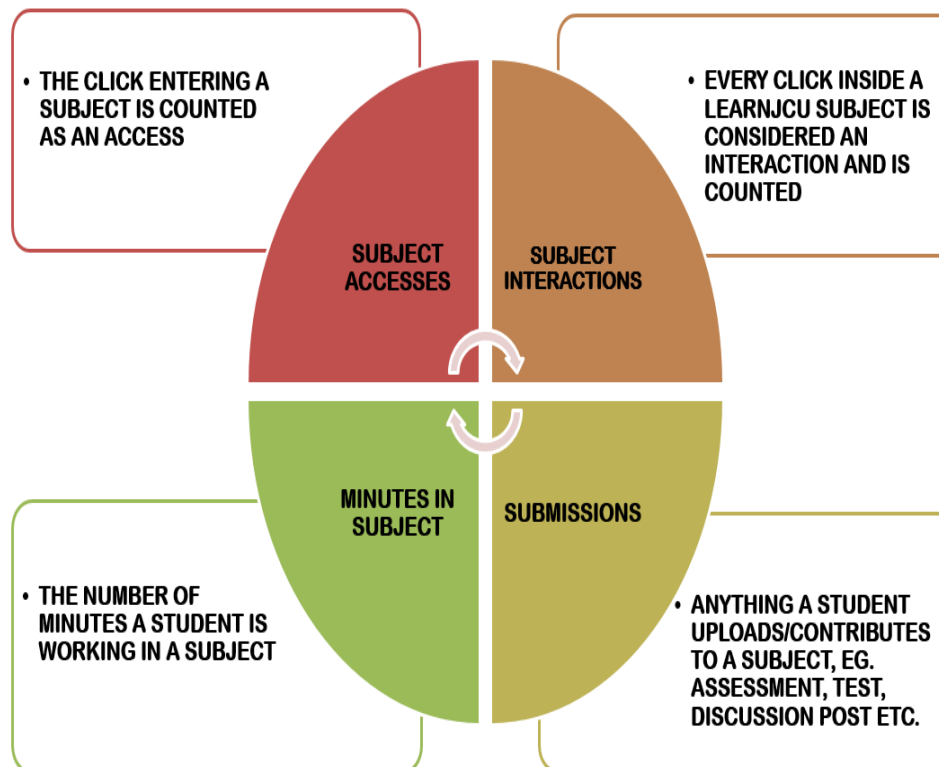

Learning Analytics

Things to remember!

- Interactions are used as a proxy for engagement
- Grade Centre must be setup correctly
- All data is refreshed every 24 hours
- Consider the many ways students engage with LearnJCU
- Time in minutes is relevant to the online activities
- Submissions in LearnJCU are anything a student adds to a subject

Where is it?

Available in every LearnJCU Subject

Go to the Control Panel:

→ Student Tracking

→ Subject Analytics

FIVE reports:

- Subject At a Glance Report
- Student At a Glance Report
- Activity & Grade Scatter Plot
- Activity Matrix
- Subject Submission Summary
