Notes:

What are block/intensive study periods? Enrolling in block mode subjects offers flexibility and can help you fast-track your studies by cutting down on time.

A block mode subject is equivalent to subjects offered over the 13 week period, except they are delivered over a more intensive time period. Usually block mode subjects are taught in the semester break over a two week period with classes scheduled five to six days each week from

Preparing for block mode subjects

You need to be prepared for block mode subjects as

they are highly intensive. Here are some tips to help you

• You should read at least half of the prescribed text

• Be very familiar with the learning objectives for each

• Note assignment deadlines, some assessment may

Most degrees have subjects available in block mode. To find block mode subject in your degree:

**Step 1:** Go eStudent and check your optional subjects on your Study Plan (e.g. electives)

**Step 2:** Go to Subject Search and select Block in the Attendance Mode field and your home campus in the Campus field

**Step 3:** This will list all the subjects available on your campus. You then need to choose one that fits the requirements in your Study Plan.
