

Welcome to Blackboard Collaborate. We will begin the session shortly.

The image shows a laptop screen displaying the Blackboard Collaborate interface. On the left, a sidebar menu is visible with the title "TP Ultra Demo - Course...". The menu items include "Start Recording", "Use your phone for audio", "Report an issue", "Tell me about Collaborate", "Blackboard Collaborate Help", and "Privacy Policy". A yellow arrow points from the text "Open to access session options" to the hamburger menu icon in the top-left corner of the screen. At the bottom of the sidebar, the "Leave Session" button is highlighted with a yellow box, and a yellow arrow points from the text "Log out" to it. The main content area shows a user profile for "Judy Teacher" with the role "Moderator". Below the profile are buttons for "Away" and "Leave Session". A "Feedback" section contains several icons: "Happy", "Sad", "Surprised", "Confused", "Faster", "Slower", "Agree", and "Disagree". A yellow box highlights a row of icons at the bottom of the screen: a silhouette, a microphone, a video camera, and a hand icon. A yellow arrow points from the text "Click the silhouette to indicate status or give feedback | Turn on audio or video | Raise your hand" to this row. On the right side of the screen, a yellow circle highlights a button with a double-left arrow icon. A yellow arrow points from this circle to the text "Open to access:". Below this text is a list of options: "Chat", "Attendees list", "Share content", and "Settings". At the bottom right, a white bar contains icons for chat, attendees, share, settings, and a close button.
